Autumn 2020

Keeping busy...

This has been a year like no other in the history of the Comox Air Force Museum. Although the restrictions of COVID-19 forced us to be closed for 2.5 months, we were not idle. Our volunteers and staff members have completed a number of projects over the last 6 months that we would like to share with you. Your membership dues and monetary donations are what allow us to continue our work. We appreciate and thank you for your continued support!

Purpose built drawers were installed in our archives to house hats and shoes.

An Air Raid Precaution display was created in the Main Gallery.

A refresh of the Museum lobby included new paint throughout, new carpet, COVID-19 protocols implemented and the remerchandising of our gift shop.

The Colwell Diary display was built and installed by our volunteers. The tunnel is an exact replica of the tunnels built during the Great Escape.

of Collections

A new permanent display in our library highlights our Sweetheart Jewellery collection.

Graphic panels and a display, located in 407 Squadron hangar, were created to commemorate the 75th anniversary of the 'Six Sacks of Potatoes.'

418 Squadron is the newest addition to CFB Comox. The permanent display of their history is nearing completion in our gallery.

Our Heritage Air Park, aircraft and vehicles require constant upkeep and maintenance.

Help us to continue our work preserving RCAF history and heritage by making a donation today!
